Ale-8 Bourbon Holiday Cider

Servings: 4

1½ cups apple cider

4 cinnamon sticks

2 apples, cut into bitesize pieces

1 orange, cut in half, then into thin wedges

½ cup cranberries (or pomegranate seeds, if preferred)

6 ounces bourbon

12-ounce bottle Ale-8-One

Place cider in a pan on the stove with the cinnamon sticks, apples and oranges and heat until hot. Add room temperature bourbon to a heat resistant pitcher. Add hot cider and mix. Pour cider mixture into four heat proof glasses, making sure each glass has fruit and one cinnamon stick. Top each glass with room temperature Ale-8-One.
